

Fabio Pucci, CFA®

Fabio has more than 25 years of experience specializing in investment services. A graduate of the University of Waterloo with a degree in Economics, he began his career providing investment services at a major capital management company in 1984. As a private investor representative, Fabio developed a value-focused approach and an interest in portfolio management.

Fabio has attained the Chartered Financial Analyst (CFA) charter holder designation. Fabio is a local committee member of the Toronto CFA Society.

Fabio joined IAIC in 2010, providing clients with value-based investing and customized portfolio management.
