

Grayson Waechter, CFA®

Before joining IAIC, Grayson worked at a major Canadian Bank in its retail division.

Grayson has earned an Honours Bachelor of Commerce degree specializing in Finance from the Telfer School of Management at the University of Ottawa in 2014 and has also completed a diploma in financial planning from Conestoga Collage. Grayson earned his Chartered Financial Analyst® designation in July 2019.

As a member of IAIC's ICPM Support Services team, Grayson supports the organization's portfolio managers by performing research and assisting with client matters.
