

Abdeen Wahab, BA

Vice President, Client Care and Operations

Abdeen joined IAIC in 2022 to lead Client Care and Operations. He is responsible for the strategic direction and performance of Client Services, Technology and Operations teams. His teams are focused on advancing key strategic priorities, improving productivity, and effectively partnering with our wealth management firms to improve upon service delivery and the client experience.

Abdeen earned a Bachelor of Arts honours from Carleton University with a Major in Mass Communications. Abdeen has also completed the Partners, Directors and Senior Officers course from the Canadian Securities Institute.

With over 23 years of senior leadership experience, Abdeen most recently spent the last 12 years with a national wealth management firm committed solely to Canada's physicians and their families. He was instrumental in developing strategies, systems, and tools needed to grow and scale multiple lines of business.
