

Fabio Pucci, CFA®

Portfolio Manager

Fabio joined IAIC in 2010 and became registered as a Portfolio Manager shortly thereafter. His primary responsibility is to provide value-based investing and customized portfolio management to IAIC clients in the Windsor, North Bay, and Niagara region.

Fabio is a graduate of the University of Waterloo, where he upgraded his degree to a Bachelor of Economics. He has also attained the Chartered Financial Analyst (CFA) designation in 2006. Fabio is a local committee member of the Toronto CFA Society.

Fabio has more than 30 years' experience specializing in investment services. He began his career providing investment services at a major independent capital management company. Duties there were primarily client facing and financial planning related. Fabio's desire to better understand portfolio construction and security selection led him to his role at IAIC today.
