

Gord Hardie, CFP®, CIM

Vice President, Financial Planning

Gord joined IAIC in 2010 to build and lead the financial planning team. As the Vice President, Financial Planning, Gord is responsible for managing the team, developing financial planning strategy for the organization, as well as providing comprehensive financial plans for clients.

Throughout his career, Gord has attained several licences and accreditations from various governing financial service bodies. Gord holds the Certified Financial Planner (CFP®), and Canadian Investment Manager (CIM) designations.

Gord began his career in wealth management in 1992 and has worked at various national financial services firms as both a Senior Financial Consultant and a Regional Manager.
