

## Maria Wus, CFA®, CAIA®

### Portfolio Manager

Maria is a seasoned Portfolio Manager with over 25 years of investment experience. Maria joined IAIC in 2016 as part of the Investment Counsel Portfolio Management Support Services (ICPMSS) team. As a Portfolio Manager, Maria is responsible for constructing and monitoring custom valued-based investment portfolio and regularly meeting with clients. Maria is responsible for research of Real Estate Investment Trusts (REITs).

Over her career in investment management, Maria honed her skills at a pension/endowment fund, wealth management company and a single-family office giving her exposure to institutional, retail and high-net-worth clients.

Maria graduated from the University of Toronto with a Bachelor of Commerce and Finance in 1998. In 2003 she obtained her Chartered Financial Analyst (CFA®) designation and is a member of the CFA Toronto Society. Since 2007, she also holds Chartered Alternative Investment Analyst (CAIA®) designation.
