

Mike Gassewitz, P.Eng.

President and CEO

Mike joined IAIC in March 2021 as President and CEO. He is responsible for leading the exceptional IAIC team, working with its accounting firm partners, to further solidify its integration to deliver results for clients.

Mike has over 25 years of business and investment experience, from founding start-ups to senior executive positions in multibillion-dollar companies. Mike was recently responsible for overseeing \$45 billion in assets on behalf of Canadian physicians and their families while at a large financial services company.
