

John Stanley

John's passion for technology led him to Conestoga College where he earned his Software Engineering Technology diploma in 2021 and joined IAIC shortly after graduating.

He supports the firm with IT related tasks and involvement in various IT projects. John has a key role in the migration and reconciliation of data as the firm continues to evolve their systems to enhance IAIC's operations.

In John's spare time, he enjoys spending time with his family and friends, playing golf and learning or tinkering with various types of technology.
