

## Marilyn Riff

Marilyn has been working in the wealth management industry for many years. Prior to joining IAIC, Marilyn worked for a multinational financial service firm where she served in a variety of customer service and financial consultant support roles, with a focus on areas related to information technology. Through Career College, Marilyn has taken several courses to develop her computer software skill set.

Marilyn joined IAIC's Client Services team in 2002. Amongst other administrative job functions, Marilyn is responsible for the Administration of the Portfolio Management System as well as the generation of many of the client reports used by IAIC personnel in managing client portfolios.

In her spare time, Marilyn enjoys the outdoors and spending time with friends and family. She previously volunteered on the board with Big Brother and Big Sisters and has recently embarked on becoming a Wish Granter with Make A Wish Foundation.
