

Michel Vervloet

Michel has over 20 years of experience in the financial services industry working in Compliance and leading various project initiatives. Prior to joining IAIC in June 2022, Michel worked at MD Financial as a Regulatory Practice Lead and worked closely with support sales staff and regulatory teams to identify efficiencies and implement processes & programs designed to improve MD's compliance program.

As the Compliance Manager at IAIC, Michel will be responsible for monitoring and building awareness of regulatory changes, developing and managing IAIC's existing compliance program and working closely with CPA firms and IAIC staff to continue to grow IAIC's compliance culture.
