

## Patrick Tryon, CIM®

Patrick's investment career spans more than 38 years. His experience comprises stints at several of the country's largest pension fund managers in research and portfolio management as well as exposure to the world of Private Equity and Private Debt. It also includes time at an investment boutique managing private client portfolios.

Pat is a graduate from McGill University, used to play badminton, winning both silver and bronze medals at the Commonwealth Games, 4x national champion. He is also an enthusiastic golfer.
