

Shannon Faulkner

Shannon graduated from Fanshawe College in 1999 and began working in the financial services industry in 2005. Shannon worked as an Administrative Assistant and a Mutual Fund Dealer Administrator prior to joining IAIC in 2011.

As the Client Services Manager, Shannon is responsible for the day-to-day operations of the Client Services Department and providing service excellence to clients. Shannon brings a strong client centric service background and process improvement approach to her position.

In her spare time Shannon loves spending time with her family as well as gardening, outdoor summer activities and continuously pushing herself out of her comfort zone to try new things.
