

Susan Thompson

Susan joined the IAIC Team in June 2021. She has diverse work experience with over 20 years in the optometric industry and for the past number of years has worked in administration and office co-ordination for an engineering firm.

Susan is an active volunteer in her community and currently sits as an executive member with the Listowel Junior B Cyclone organization and supported the Steve Kerr Memorial Complex Fundraising Campaign as Public Awareness, Events, and Community Engagement Chair.

Susan keeps very active outdoors, enjoys any opportunity at planning an event and loves spending time with her adult kids.
